are they? An indulgence is a remission before God of the
temporal punishment due to sins whose guilt has already
been forgiven. . . An indulgence is a partial or plenary

sin we must do two things: 1. Be forgiven. 2. Repair the
damage done from that sin. For example: You break your
neighbor's window. You need to first, say you're sorry and
second, make sure the window gets fixed. Another example
of sin is like a nail going into a log. Going to Confession takes
the nail out, but the hole is still there. By doing penance,
fasting, almsgiving, etc., we fill in the holes in the log that sin
caused.
